| Fund Manager(s) | Stephen Groff |

Investment Objective

This fund's objective is to achieve a high level of total investment return, consisting of dividend income and capital gains by investing primarily in equity securities of companies anywhere in the world that pay, or may be expected to pay dividends. Any change to the investment objective must be approved by a majority of votes cast at a meeting of unitholders held for that reason.

About CI Investments

CI Investments Inc. is a leading Canadian-owned investment management company. Our philosophy is based on choice giving you the power to choose the investments that meet your individual needs. We offer an extraordinary selection of funds and leading portfolio management teams whose investment expertise is among the best in the world. We market our funds through a network of more than 40,000 financial advisors because we think you are most successful when you follow a sound financial plan developed with the assistance of a qualified advisor. CI is a subsidiary of CI Financial Corp., which is listed on the Toronto Stock Exchange under the symbol CIX.

Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. Please read the prospectus before investing. The indicated rates of return are the historical annual compounded total including changes in unit value and reinvestment of all distributions and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any securityholder that would have reduced returns. Mutual funds are not guaranteed, their values change frequently and past performance may not be repeated. Please refer to the Legal section of www.ci.com for additional information. *Assets under management are as at the end of the most recent quarter ending March 31, June 30, September 30 or December 31.
